January 5, 2021

Hello everyone, and Happy New Year! We hope you've all had a wonderful holiday season.

As you know, during this time of year we are normally preparing for our awards banquet. We look forward to the banquet where we can all get together and spend time sharing stories, having fun, and acknowledging and celebrating everyone who earned an award for the season.

After a great deal of brainstorming, researching, and trying to come up with creative ideas that would still allow us to have some type of banquet or awards presentation, we have unfortunately come to the conclusion that the most responsible option would be to skip having a banquet this year. (Look at us trying to be responsible.)

Unfortunately, there are just too many uncertainties right now. Even if we could find a facility willing to host us, there is a risk that things would be shut down again between now and then. We also do not want to take any chances with everyone's health and safety. This was not an easy decision for us, but we felt that it was the most considerate and responsible decision we could make.

That said, we do still plan to publicly congratulate and present awards to everyone who has earned them. These presentations will take place at events early in the 2021 season. Specific dates & details will be announced closer to that time.

Our apologies to everyone for having to make this decision. While we expect and understand that some of you will be disappointed or frustrated, we do hope that you can all understand where we are coming from.

Thank you, and we look forward to seeing everyone in March!

Best regards,
Robert & Brianna Miller
