"We are proud to announce **Miller & Son's, Inc.**, as the 2026 title sponsor for the 206 Sportsman class in the **SHS Club Kart Series!** It was very exciting to have them contact us & want to be a part of the community at the track", Robert & Brianna with Sandy Hook Speedway explained. Robert & Brianna also shared, "They have a deep love for motorsports & we love that it's even evident with the tag line for their business, **Winners at Protecting Your Environment**"

Miller & Sons, Inc., based out of Fawn Grove, PA, is a septic tank cleaner & waste water services provider that has been in business for over 55 years, spanning 4 generations of family ownership. They have been part of the Northern Harford & Southern York counties community with their services.

The owner's (**Mike & Susan Miller's**) Grandson, **Levi Miller (a 2X Kid Kart Sport Champion at Sandy Hook)**, is the third generation of racing in the family. Levi has been racing at Sandy Hook for a number of years. Currently is developing his skills & race craft in the highly competitive 206 Sportsman class. Levi's younger sister Rachel has even gotten behind the wheel to try it out! Levi's parents **Paul & Angie Miller** bring Levi to the karting events & always have a smile on their faces. Mike, Susan, Paul, Angie, Levi & Rachel have always been a phone call away on lending a hand when needed at the track for projects big & small. It was a fun fact to learn Levi's Grandfather used to race motocross in the '70's and then got in to racing cars on dirt, his Uncle Jared & Father Paul also raced motocross and cars & Levi is carrying it on!

*Come on out to the track to check out the **Miller & Sons, Inc. Inc 206 Sportsman** class when the season kicks off Sunday April 19th Club Kart Race #1.*
