(Press Release Date) - Thursday, May 7th, 2026

**Pags Powersports of Coopersburg, PA joins forces with Sandy Hook Speedway!**

(STREET, MD)– We are excited to announce the all-new track partnership with **Pags Powersports**, who provides sales, service & parts for Honda, Yamaha, Kawasaki, KTM, Husqvarna, Kayo & Stark; based in Coopersburg, PA. Along with this new partnership, **Pags Powersports** has become the class sponsor of one of the most highly contested and sought after championships at **Sandy Hook Speedway** within their **Mini Moto** division: The "Stock 100" class.

"We are just thrilled to have Pags Powersports join the family of businesses partnered up with us. Along with the exciting news of the new track partnership, a re-branding of the Stock 100 class will take place! For the **2026 Sandy Hook Speedway Mini Moto** season, it will now be presented as the "**Pags Powersports Stock 125**" class!", Robert & Brianna shared with excitement. "Don't worry everyone, there are no rule changes taking place! We are just catching up on calling it 125 instead of the 100 class," emphasized Robert.

When asking **Tony Pagliaroli**, the owner of **Pags Powersports**, what **Sandy Hook Speedway** means to him, he exclaimed "Sandy Hook specifically!?!?! Dear lord - Sandy Hook is what it SHOULD be all about. Friends banging bars, having fun, in a family atmosphere. It's as simple as that!"

Support those that support the sport: reach out to **Pags Powersports** for any needs you have that they may be able to fulfill.

**About Pags Powersports : People. Power. Passion.**

**People** are at the heart of our business - both our employees and the customers we serve. Purchasing a new ATV, Side by Side, or motorcycle is more than a transaction; it's an emotional decision. Our customers look to us for confirmation, guidance, and support, trusting that they're making the right choice.

**Power** is a defining force in this industry. It comes not only from the machines we sell but also from the freedom they provide. Our customers seek the power to follow their own road, carve their own path, and blaze their own trail. For many, it's nothing less than the power to transform their lives.

**Passion** is evident from the very first interaction in our shop. We're here because we've felt it ourselves—the pull of the sport that has shaped who we are. Our knowledge and experiences fuel that passion in others, inspiring and enabling it every single day. By embracing these three pillars in every customer experience—People, Power, and Passion—we become part of your lifelong journey.

**About Sandy Hook Speedway:** Sandy Hook Speedway opened in 1964. Still to this day it is a favorite of many Kart racers with 2-cycle & 4-cycle Karts. It's also a favorite of Mini Moto road racers of all skill levels & goals. Located in Street, MD, the track draws racers from states all over the east coast, including some mid-west states. Both tri-oval & road courses are paved asphalt with a 25 degree high-banked turn.
