Call (717) 793-1199

Jason the owner & his daughter Kailyn joined the Sandy Hook Family in 2018. Like so many others that are part of the club carry pride in the club & its community. In 2019 Jason approached SHS with the idea of becoming a Partner of the speedway & showcasing Watson Environmental capabilities.

Please reach out to Watson Environmental to see if they are able to assist or provide you with any of their professional services.
